

BLINDEMUUR

Blindemuur is a joint initiative of Chassé Cinema and Cinema Punaise and offers a stage for filmmakers and video artists.

Every evening during the dark months of the year (October till April) Blindemuur shows a selection of videos in the foyer of Chassé Cinema. The length of the programme is about half an hour and it is played continuously. The videos range from classic animation film towards experimental video.

If you would like to participate with one or more of your video works, please send it/them to the address below.

However, do pay attention to the following conditions:

- We prefer videos with a maximum duration of around 5 minutes.
- The video will be screened without sound because of it being shown in the public area.
- Every month The Blindemuur editors put the programme together and they are entitled to reject video works.
- The videos should be sent on miniDV, DVD or in QuickTime, .MOV or .AVI format.
- Your name will be listed in the weekly brochure of Chassé Cinema and your video(s) will be streamed on our website www.cinemapunaise.nl (unless you object).

If you are interested please fill in the participation form and send it together with a copy of your work to:

Blindemuur, postbus (P.O.box) 4694, 4803 ER Breda. The Netherlands.

For further information please contact: blindemuur@cinemapunaise.nl

We look forward to your contribution!
